COLUMBIA COUNTY JR LIVESTOCK PREMIUM SALE

Sponsors:
- Columbia County JR Livestock Premium Sale

- Rugged Cross Cowboy Church

The Columbia County JR Livestock Premium Sale will be held Thursday night of the Columbia County Fair & Livestock Show. Dinner for donors and guests will begin at 5:30pm. The sale will begin at 6:30pm. The Livestock Premium Auction is a tradition of County Fairs across the Nation. It is an established reward system honoring young people for the efforts they made to grow and show quality livestock. Through their efforts they have learned leadership, agricultural skills, and the value of hard work. Since no ownership of animals is transferred in this auction the term "premium" is used to denote a cash award given by members of our community to these hardworking kids.

The Columbia County JR Livestock Premium Sale (hereafter called “Sale”) is a separate entity from the Columbia County Fair & Livestock Show Association, Inc., (Hereafter called “Fair”). At no point will the Fair dictate the activities of the Sale and at no point will the Sale dictate the activities of the Fair. If any issue arises the Fair is to notify the Sale in writing. The Sale Board will make all final decisions involving the Sale and the collection and/or disbursement of its money. The rules of the Sale are set by the Sale Board and not by the Fair.

FOOD PRESERVATION
RULES
1. Canned food must be exhibited in standard clear canning jars with standard metal lids.
2. Names and Exhibitor numbers can be placed on the bottom of jars.
3. Head space to allow between packed food and closure: Liquid pack (fruit packed in juice, sugar, syrup or water, crushed or puree, juice): Pints – ½ inch, Quarts – 1 inch. Dry Pack (fruit packed without added sugar or liquid): Pints – ¼ inch, Quarts – ½ inch.
4. Blue Ribbon Jars will be taken to District Fair.
5. DO NOT OPEN JARS
6. NEW REGULATIONS FOR COUNTY FAIR FOOD PRESERVATION ENTRIES: Exhibits must be labeled with the product name, date of food preservation, and method of preservation. Method must state whether processed in water bath, pressure canner, or using another method such as dehydration. The labels are redesigned and are smaller – to be placed on the lid of canned entries. Labels on the bottom of the jars should have your name and exhibitors number. For labels, contact County Extension Office or download from http://uaex.eu/health-living/food-safety/preservation/.
Due to updated safety reasons, none of the following will be accepted: canned squash, including summer, winter, zucchini or spaghetti; pureed or mashed sweet potatoes; pureed or mashed potatoes; and canned soups with added noodles or other pasta, rice, flour, cream, milk or other thickening agents: JARS SEALED WITH PARAFFIN OR WAX SEALS WILL NOT BE ACCEPTED.

Using recipes from the following sources is strongly encouraged:

- So Easy to Preserve, 4th-6th editions. University of Georgia Cooperative Extension Service
- USDA Complete Guide to Home Canning, 2009 revision. United States Department of Agriculture and National Institute of Food and Agriculture
- Other Cooperative Extension publication updated or published after 1995.
